

# Et si la route produisait l'énergie de demain ?

WHAT IF THE ROADS PRODUCED TOMORROW'S ENERGY?

Circulation de tout type de véhicule

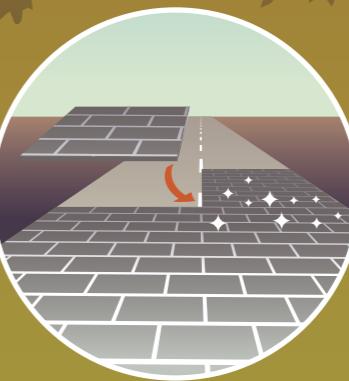

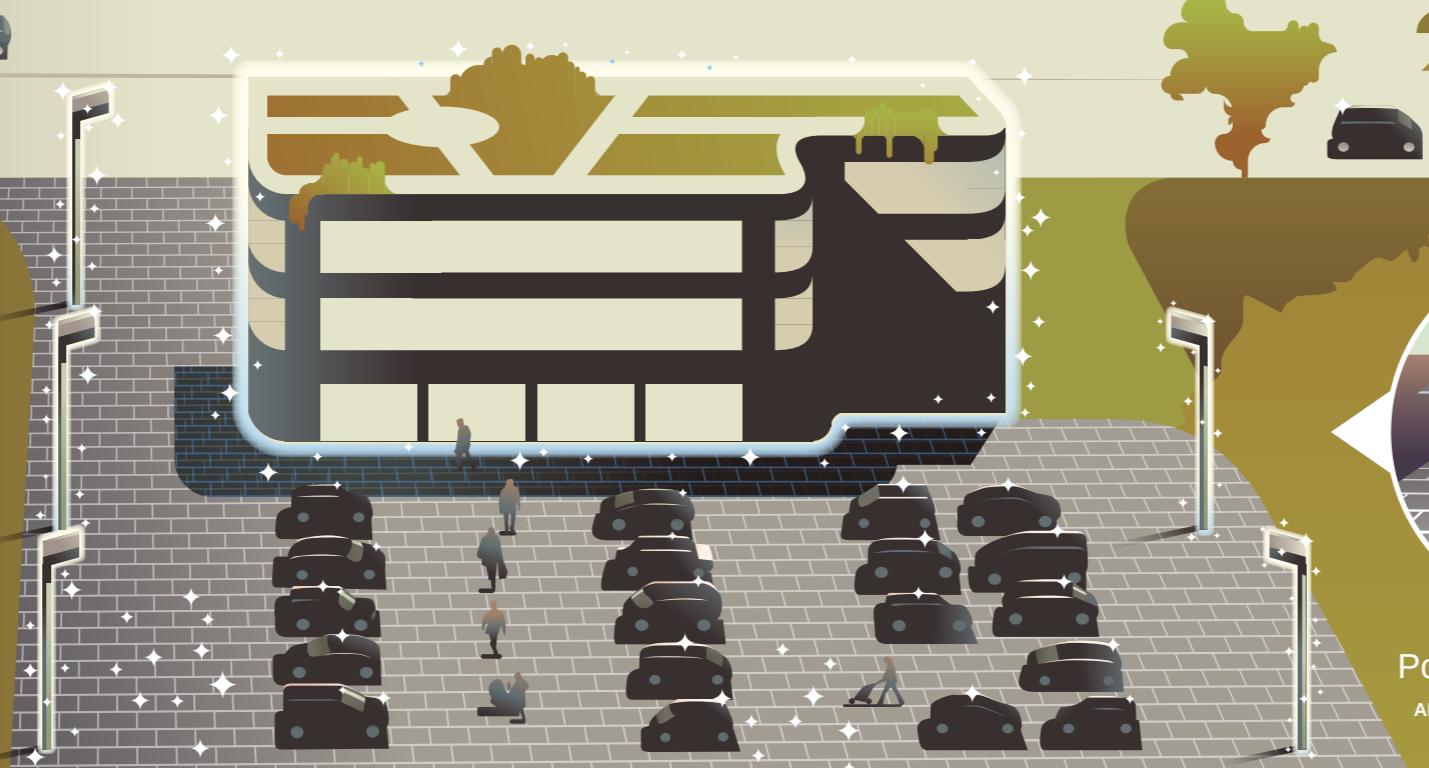

ALL TYPES OF VEHICLE TRAFFIC

Alimentation électrique  
POWER SUPPLY

En ville, les applications de Wattway sont infinies : éclairage public, mobilier urbain, bâtiments, commerces et entreprises... Wattway offre également une solution aux zones isolées non raccordées au réseau électrique.

In towns and cities, Wattway's applications are endless: public lighting, urban furniture, shops, businesses, etc. Wattway is also a solution for isolated off-grid areas.
